**PICTURE PERFECT** Commission a keepsake of the most beautiful dress you'll ever wear. Instead of the traditional bridal portrait, why not have a custom illustration of you in your dress to treasure forever? Fashion illustrator Brooke Hagel will create a custom five-by-eight-inch illustration, ready to be framed for \$350; [brooklit.etsy.com](http://brooklit.etsy.com).

**INSTANT STYLE** Leave the decorating to the pros—and the Bernards Inn in Bernardsville has done just that by pairing up with designer Jeffrey Haines of Butler's of Far Hills to create their new Signature Style of Entertaining. Your guests will ooh-and-ahh over exquisite tables, complete

with custom linens, china, flatware, glassware, florals, and even antiques. It's high-end, but easy, since they've already created the event design and décor for you. The only hard part will be deciding among the six themes, ranging in style from traditional and romantic to high-couture and glam. Then top it off with the award-winning cuisine of the Bernards Inn, and you've got a one-of-a-kind wedding. 908-766-1313; [bernardsinn.com](http://bernardsinn.com).

New Jersey artist Camille Cesari duplicates your unique fingerprint in sterling silver or gold, and crafts them into beautiful, custom-made cuff links for your husband-to-be.
